Dedication

TO MR. SHAW, OUR CLASS ADVISOR

For your cheerful ways and untiring wit,
For your sincere enthusiasm and helpfulness in all our activities,
For your unselfish donation of your valuable time to further all our activities,
For your help and guidance in all our problems, no matter how small,

For showing us how to give and take criticism and kidding, and how to get along with one another,
For all these things,
Mr. Shaw, we, the class of '56 take great honor and pleasure in dedicating the HI-LIGHTS OF '56 to you in this, your sixteenth year of service to Mayfield Central School.

EDITORIAL COMMENT

The HI-LIGHTS of 1956 has attempted a more extensive coverage of the school program than ever before. This has been done to give our readers a more nearly complete picture of the entire academic year. We of the Class of 1956 hope that this policy will be followed in future years to make MAYFIELD CENTRAL SCHOOL annuals an outstanding feature of school life.

To accomplish this we have used all of last year's basketball program including the sectional championship games at Saratoga. From our spring activities we have baseball, the Senior Ball and graduation of the Class of 1955. By following this procedure the yearbook establishes a continuity previously unattained in annuals from this school.

We are thankful for this opportunity to express our congratulations to the staff of the HI-LIGHTS of 1955 for improving the standard of Mayfield yearbooks. We sincerely hope that we have profited from their example and wish for at least as much success for the HI-LIGHTS of 1956.

We deeply appreciate the interest the Board of Education, Mr. Smithers, teachers and patrons have shown to help make this annual possible.

Our heartiest congratulations go to Mr. Boshart, our Physical Education Director, whose teams in soccer, basketball, and baseball have won championships continuously since the spring of 1954. We sincerely hope that his teams will continue to add glory and honor to M.C.S!

The Student Council sponsors dances at Halloween, Christmas, and after basketball games. It offers much toward improving school spirit, morale, and behavior.

VALEDICTORIAN, SALUTATORIAN- The weighted average as follows:
Four Units of English, three or four units of Social Studies (depending upon the number offered), General Science, and either Health or Biology must be used by everyone. For the remainder of the subjects the candidate may claim only enough to make 16 units if desired. Band and Choir grades will be disregarded. Regents or School final grades may be used except that Regents grades must be used for English Three Years and for Subjects in the major field in which Regents are given. Subjects claimed as major must be included.

ENGLISH
The average of the final grades of English 1,2,4, and English Three Years Regents.

CITZENSHIP EDUCATION
Will be the average of the final grade with the exception of American History where Regents final grade will be used.

SCIENCE, MATHEMATICS, FRENCH, HOME ECONOMICS, INDUSTRIAL ARTS AND COMMERCE
In any of these fields any subjects required for a state diploma and a major must be used plus two more subjects. Regents marks must be used in all subjects in which Regents examinations are given.

OUTSTANDING SENIOR
Outstanding Senior selection is made by the entire Secondary Faculty. They consider such factors as leadership, cooperation, the ability to get along with others, and scholastic average. No one will be considered whose scholastic average is less than 80%.

ATHLETICS
This selection is more or less a subjective one as there are too few factors to be weighed objectively. A candidate must have earned five letters to be eligible.

MUSIC
This selection will be made by the Music Instructor or Instructors. The requirements are: A member of band and choir plus outstanding ability which has been proven by participation in operettas, concerts and competition.

Talent Show

These years, which passed so quickly, would indeed have passed slowly if it had not been for the understanding ways, the topnotch spirit and the loyalty of our advisors. We have a sincere debt of gratitude to pay to Miss Rojcewicz, our advisor in our freshman and sophomore years, Mr. Delucia and Mr. K. Smith, our advisors in our junior year, and Mr. Shaw, our Senior advisor.

and finally, a moment we will never forget, our graduation.

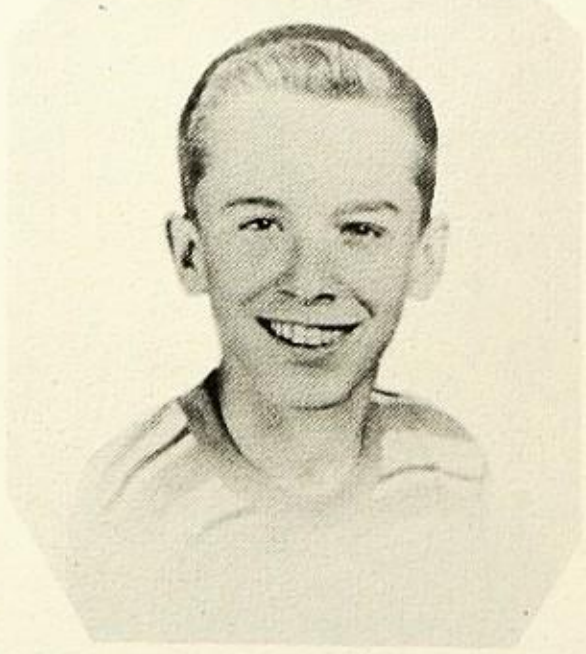
IN MEMORIAM



TERRY MEILLER

On September 12, 1955, one of our closest and dearest friends was taken from us by an act of the Lord. His name was Terry Meiller.

Everyone knew and liked Terry. He was one of those people you just could'nt help liking. Terry never seemed to go through some of those "bad days" when nothing seemed to go right. His sunny disposition was always reflected in his smiling face. His friends were from all age groups, from the oldest in town to the youngest. Terry was everywhere; at a clambake, at his Aunt "Kenies"- at the store in Mayfield; swimming at the dam; getting a haircut at Mac's. When Terry was young many of us played baseball or softball and even football at the lot nextdoor to his house on Second Avenue. Terry was always ready to work for his class. He did his share- and much more.

It is hard to realize that one so cheerful and fine could have left us so soon in his early years of life, but undoubtedly, in his time here he has created more good feelings and spread more warmth and sunshine than some will do in a life time.

We are honored to pay this small and humble tribute to one so fine as Terry. His memory will last forever in our hearts.

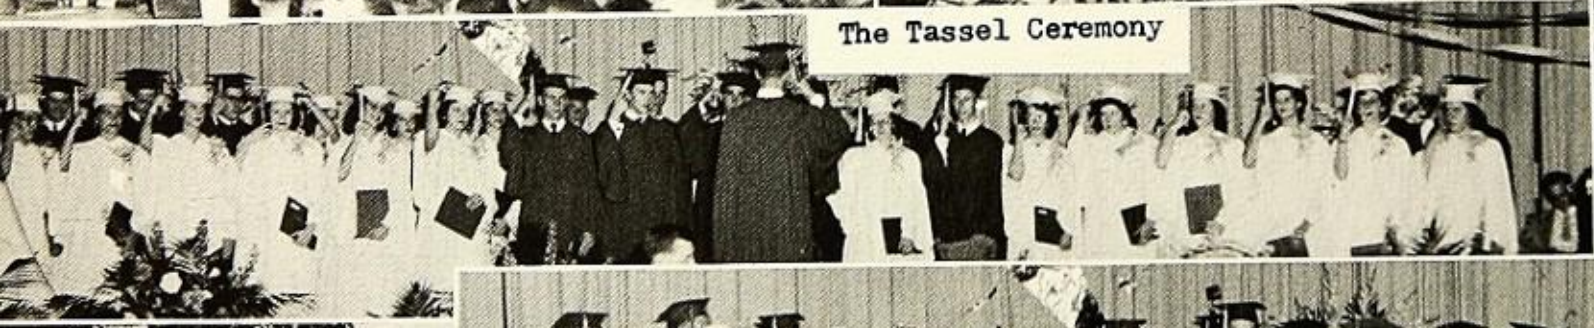
The Tassel Ceremony



A last view of the Class of 1955 as they leave the stage to go their separate ways; some with sorrow, or joy, some with hope, and a few wishing they'd worked harder.

Upon entering the hall, they will receive the congratulations of friends and relatives, who bestow upon them good wishes and happiness for the future.

Kirkby Gives Address At Commencement Exercises in School

Kearney Kirkby of the Character Research Project, Union College, applied the topic "With Eyes Wide Open I Am Dreaming" as commencement address last night during exercises in the Mayfield Central School auditorium.

The distribution of diplomas was made by Harland N. Brown, school board member, and awards were presented by Principal James W. Smithers. Rev. Leo Hickock offered the invocation and benediction.

Awards were received by Lucian A. Gilbert, valedictorian; Gordon Blowers, salutatorian; Gilbert, outstanding senior; Oretta Trevett, English; Blowers, citizenship education; Gilbert, science; Blowers, mathematics; Marlene Gifford, commercial; Maxine Mortimer, home economics; Donald Blowers, industrial arts; Jack Penny, athletics, and Gilbert, music.

The valedictory address, given by Gilbert, was entitled, "Our Atomic Age." Gordon Blowers, salutatorian, addressed the topic, "An Analysis of Propaganda." Audrey Zeh played a baritone sole of "A Vous" by A. Pinard, and the Senior Choir, with the accompaniment of Miss Irene Asquith and Lucille Edwards sang "Jacob's Ladder" and "You'll Never Walk Alone."

The senior class advisor is Robert H. Shaw. Marshalls were Warren Baldwin and Burton Wilson. Ushers for the program were Janetlee Montanye, Mary Jane Maynard, Dorothy Tyrell, Jean Phillips, Nancy Ulrich, Katherine Gifford, Catherine Glynn and Molly Williams.

Kirkby in his address told the graduates that for many years others have been dreaming of you, but now what of your own dreams. A study of geniuses, the speaker declared, shows this is one of the strongest factors in life. A man's dreams, he asserted, and faith in himself are power greater than the atom.

DaVinci, Kirkby added, dreamed 500 years ago of the automobile and airplane, but it was not until comparatively recent years that they were invented.

He pointed out that in the last 50 years more progress has been made than in the previous 5,000 years because of scientific methods peoples learned to use to make their dreams come true.

School, the speaker declared, provided and unusual experience for each members of the class with ventures in athletics, politics, leadership and numerous other activities.

BALDWIN SCORES 37 POINTS TO HELP MAYFIELD CONQUER BROADALBIN CAGERS, 84-51

MAYFIELD VICTORIOUS

REGISTERS 38 TO 23 WIN OVER WELLS IN LOW SCORING GAME;

Coach Belmont, noting that Mayfield has the best court club he has seen in his eight years of coaching at Wells, was satisfied with the scrap his boys gave the more experienced outfit down to the wire.

Mayfield's smooth machine grabbed the lead early in the tilt to rack up its eighth loop victory.

In netting 29 points, 12 double deckers and five from the 15-foot line, Mancini turned in a terrific game under the boards

Perry, B. Baldwin and Mancini led the attack of the Mayfield quintet last night, scoring enough points between them to win the game. Parry and Mancini, according to officials, played the best so far this season, offensively and on defense. Perry did some exceptional passing.

Baldwin Scores 54 in Mayfield Win Over Galway;

Coach John Boshart's crew was sparked by Babe Baldwin who hit from all corners to register 21 field goals and 12 fouls for 54 points. Baldwin probably established a league record but this could not be verified last night.

W. Baldwin, Ralph Mancini and Ed Buseck hooped eight points each for the Bannertown five to gain runner-up honors.

.....JACK PERRY, TEAM CAPTAIN, ACCEPTING CLASS D TROPHY AT SARATOGA. PRESENTING THE TROPHY IS JOAN ARGOTSINGER, OF MAYFIELD AND IN THE BACKGROUND IS COACH BOSHART

"Pretty good."

That was the sentiment expressed by Babe Baldwin, Mayfield's sharp shooting forward, shortly after breaking the high scoring record last night at Spa's Convention Hall.

Firing 14 goals and hitting 22 out of 27 free throws, Baldwin canned 50 points, six more than the mark posted by Bill Stewart last year in the Class E sectional finals.

Baldwin, who netted 33 in the quarter-finals, scored 17 points in the first period, six in the second, 10 in the third and 17 in the fourth.

He did not play the whole game.

On foul shooting for the respective periods, it was nine out of 10, zero for two, four for six and nine for nine.

The sharp shooter did not know he had a crack at the record until he passed Stewart's mark.

Before being removed from the contest, he canned six points in about one minute.

During the regular season games, the 15-year-old sophomore posted a new high scoring mark for the Tri-County League. He netted 54, 10 more than the previous high hooped by Stewart.

Many events occurred Saturday night for Mayfield High School basketeers. The most important was the winning of the Class D Section II Scholastic basketball championship, defeating Berne-Knox hoopsters, 56-47, at Saratoga's Convention Hall.

It was the first time in the history of the school that a basketball team won a sectional title; first time one of its clubs went through a season undefeated, and the first time this season the Bannertown Champions had to hustle all the way to finish on the front end of the score.

SCHOOL SONG
by Allen Brown

Lift your glad voices and swell out your lays,
Singing for Mayfield the loudest of praise.
Honors of glorious victories abound,
Lift up your voices till echoes resound.

Sons of our school through the years always stand,
Shoulder to shoulder and proud of our land.
Building forever a refuge from wrong,
Home of the bravest and land of the strong.

Soft in the evening our songs we will sing,
Memories of school days the harmonies bring.
Go back to Mayfield ye sons of her fold,
Once more to honor and cheer as of old.
